**How many years do you predict
before every child in your school
system will have a laptop?**

3 Years

5 Years

10 Years

Not in my lifetime!

How many students in your school are taking online courses?

None

Fewer than 50

Between 50 and 100

Hundreds

**Have you ever taken an
online course?**

NO

YES

I want to...one day

Not sure

Have you ever taught an online course?

NO

YES

I will soon

Not in this lifetime

**How important will
teachers be in the
disruptive-innovation model?**

More important

Less important

Equally important

Not sure

**What chance do you give
disruptive-innovation for
transforming education?**

This too shall pass

Slightly optimistic

Change we've waited for
